Proposed Change to KCOM Wholesale FibreLine Local Access

On 25 November 2022 KCOM published the following [Notice](#). As KCOM has received objections to the proposed change before the date the change would otherwise become effective, namely 20 January 2023, KCOM is entering into further consultation directly with objecting parties. As it is anticipated such consultation will extend beyond 20 January 2023, this notice is to confirm that the proposed change will not be coming into effect on 20 January 2023. Once the consultations have been completed, KCOM will issue a further notice of the outcome.
