

End of Life Notice for Carrier Pre-select and Indirect Access

This communication is the End-of-Life notice for Carrier Pre-select and Indirect Access support by KCOM wholesale.

These services will not be supported by our national network supplier after 26 June 2023. A message will be played indicating that the service is no longer available and actions that can be taken to route calls.

You need to inform your customers using these services to remove the routing for the Indirect Access codes from their devices, prior to this date.

Any questions please contact wholesalepartners@kcom.com

Kind regards

The KCOM Wholesale Team
